**AN EMBARRASSING ORDER.**—A man entered a well-known restaurant in New York the other day and beckoned to a waiter. "Bring me," he said, "two fried eggs—one fried on one side, and one on the other."

The waiter looked slightly puzzled, but answered, "Yes, sir," and disappeared toward the kitchen.

Ten minutes later he returned, looking decidedly worried.

"Would you mind repeating that order, sir?" he asked.

"I want two fried eggs," said the diner, "one fried on one side, and one on the other."

The waiter again disappeared in the direction of the kitchen. After a longer wait than before, he returned, his clothes disheveled and his face bruised and scratched.

"I beg your pardon, sir," he said, "but would you mind having boiled eggs? I've had words with the cook."

## Deadly Serpent Bites

are as common in India as are stomach and liver disorders with us. For the latter however there is a sure remedy: Electric Bitters the great restorative medicine, of which S. A. Brown, of Bennettsville, S. C., says: "They restored my wife to perfect health, after years of suffering with dyspepsia and a chronically torpid liver." Electric Bitters cure chills and fever, malaria, biliousness, lame back, kidney troubles and bladder disorders. Sold on Guarantee by Penny's Drug Store, Stanford, Lyne Bros., Crab Orchard. Price 50c.

**QUEER SALUTATIONS.**—There are many curious forms of salutation practiced by different nations. When the Laplander meets a friend, he gravely walks up to him and, pressing his nose against the olfactory organ of his acquaintance, rubs it violently from side to side.

The South Sea Islanders salute each other by rubbing their hands or feet against the cheek.

The Turks consider it a mark of indecent familiarity to remove their head dress in the presence of company, and in nearly all Oriental countries the people seldom remove their hats as a salute.

In Japan, as in other Eastern communities, shoes are never worn in the houses. The Chinese are profound in their salutations, and a code of various complex greetings is prescribed and learned by all Chinamen.

W. R. Ward, of Dyersburg, Tenn., writes: "This is to certify that I have used Orino Laxative Fruit Syrup for chronic constipation, and it has proven without a doubt, to be a thorough, practical remedy for this trouble, and it is with pleasure I offer my conscientious reference." G. L. Penny.

Dentist (to working man, who has just saved him from drowning)—My dear man, how can I express my gratitude? Come to my office any time and I'll pull every tooth in your head for nothing.

If your stomach troubles you do not conclude that there is no cure, for a great many have been permanently cured by Chamberlain's Stomach and Liver Tablets. Get a free sample at W. N. Craig's drug store and give them a trial. They also cure constipation and biliousness.

"The vote that I esteem," said the statesman, "is the vote that is not bought."

Rev. Alfred A. Higgins preached two excellent sermons at the Presbyterian church Sunday, in the absence of Rev. Gilbert Glass. He is a good, forcible speaker and clearly expounds the scriptural teachings. Good judges who heard his sermons say they would have been a credit to a man many years his senior and much more experienced.

## Death From Lockjaw

never follows an injury dressed with Bucklen's Arnica Salve. Its antiseptic and healing properties prevent blood poisoning. Chas. Oswald, merchant, of Rensselaersville, N. Y., writes: "It cured Seth Burch, of this place, of the ugliest sore on his neck I ever saw." Cures Cuts, Wounds, Burns and Sores. 25c at Penny's Drug Store, Stanford, Lyne Bros., Crab Orchard.

## How to Break Up a Cold.

It may be a surprise to many to learn that a severe cold can be completely broken up in one or two days' time. The first symptoms of a cold are a dry, loud cough, a profuse watery discharge from the nose, and a thin, white coating on the tongue. When Chamberlain's cough remedy is taken every hour on the first appearance of these symptoms, it counteracts the effect of the cold and restores the system to a healthy condition within a day or two. For sale by W. N. Craig, the popular druggist, Stanford.

It broke—and I broke too!

Of me that can't be said;  
If luck struck me  
I'm sure 'twould strike me dead!

SIMPLE but impressive ceremonies marked the laying of the corner stone of the new Kentucky capitol at Frankfort Saturday, only two set speeches being delivered. Gov. Beckham placed the mortar in the bed with a silver trowel which will be presented to the Kentucky Historical Society. Former United States Senator William Lindsay delivered an address on the future of the State, and H. V. McChesney gave the history of the former capitol. Gov. Beckham and Senator James B. McCreary spoke briefly. An immense crowd, including some of the biggest men in the United States, was present.

THE action of the 60 insurance companies in resolving to pay only 75 per cent. of the adjusted losses at San Francisco is unjust and arbitrary and will hurt them more than they will be benefitted financially by refusing to pay their just dues. The State insurance commissioner of California has a right to summarily revoke the license of any company for cause and it is said that he will do it as well as give the widest publicity to the methods of those who have entered into the scheme to defraud.

A REPUBLICAN paper, which is panic stricken at his increasing popularity, says that Mr. Bryan grows in popular favor the longer he stays away, he had better remain on the other side all the time. But Mr. Bryan will heed no such advice. He will be back in August and will receive such a demonstration of love and affection, that no man in private life has ever before been accorded. A tremendous ovation awaits him.

THE Supreme Court of California has decided that tuberculosis in either the man or wife is ground for divorce. It ought also to be grounds for withholding license to marry. The scourge is terrible enough without transmitting it to posterity.

No. 75, 150,000 acres of cotton land in Mississippi. There is no section of country which offers so many opportunities for profitable investment as the Mississippi Delta which is now being described as "Prosperity Valley." The timber is becoming more valuable all the time for the reason that lumber people from the North (where the supply of timber is fast diminishing) are constantly increasing their purchases of timber lands in the South. When the timber is removed the land is unequalled for agricultural purposes. It will produce a bale of cotton to the acre or will grow any other kind of crop raised in the temperate zone. The soil needs no fertilizers and gives a yield which cannot be excelled; taxes are low, the title is perfect and the man who buys Delta farm land at present prices is making an investment that he will never regret. This land is divided into tracts ranging from 40 acres to the tract to 20,000 acres to the tract and prices from \$2 per acre to \$16 per acre, according to location, etc. We are authorized by the company who owns these lands to state that as other parties are considering the purchase of Delta land, we offer these tracts subject to prior sale, withdrawal from market or change in price without notice. However, when notified, these lands of market long enough for the purchaser to make an investigation. About 12,000 acres of this land has been sold by the Company since we received this option. For further particulars call at our office.

ST. JOHN'S DAY CELEBRATION AT CRAB ORCHARD.—There will be a great celebration of St. John's Day at Crab Orchard fair grounds next Saturday, 23rd, under auspices of the Preachers-union, Brodhead and Crab Orchard Masonic lodges. There will be a number of good speeches, a brass band will furnish music and an excellent dinner will be spread.

AN OLD TIME FAIR.—The people of Lancaster will have an old time stock fair July 18, 19 and 20. A fine band of music has been engaged and good premiums hung up for all classes of stock. A genuine old-fashioned welcome will be given all, and a good time is insured. The grounds are beautiful and every accommodation is right up to date.

You will be amply repaid for your time and money expended in seeing the great moral play, "Ten Nights in a Bar Room," which will be given in a tent here to-morrow, Wednesday night. The play is a most pathetic and interesting one and Brown & Roberts' presentation of it is said to be fine. A magnificent brass band and orchestra will make music for the entertainment.

THE attention of Lincoln county merchants is called to the advertisement signed by D. R. Adams, Geo. B. Cooper, and R. C. Warren, committee. These bids must be in before July 5th, for on that day they will be opened and the contract let.

DUDDERAR.—Mrs. Kate Dudderar, formerly of this place, but for the last decade a resident of LeRoy, Ill., died there Sunday morning after a protracted illness of a complication of troubles, aged 60. The remains were brought here and at 4:30 yesterday afternoon, Eld. L. M. Omer preached a brief, but appropriate funeral sermon at the grave in Buffalo cemetery, after which the body was laid to rest until the resurrection morn. Mrs. Dudderar is survived by four children, Mrs. T. D. Raney, of this place, Mrs. Mary Carr, of LeRoy, Mr. John Smiley, of Louisville, and Sine Dudderar, who lived with his mother. Much sympathy is felt for them in the loss of a most excellent and godly mother. Deceased was a Miss Fields, and was a sister of Mr. Watt Fields, of Turnersville. She was engaged in the millinery business here for many years and the friends she made of all who came in contact with her are saddened that the good woman is no more. Mrs. Dudderar was a devout member of the Christian church and was fully prepared to meet the God Who gave her.

THE case of R. E. Lee Sims for killing John R. Farris still occupies the attention of the court and it is probable that it will not go to the jury before Thursday. Every inch of ground is being contested and a stubborn fight is being made by both sides. The following jury was chosen after 150 or more men had been examined: J. L. Sloan, W. J. Duncan, Wm. Clarkson, C. P. McAfee, J. H. Dunn, C. E. Barker, Coulter White, G. R. Pope, J. W. Shearen, S. W. Burke, G. A. Hughes, J. B. Quisenberry. All of the jurors are from Boyle county except Messrs. Sloan, White and Hughes, who live in Lincoln.

STANFORD had a very distinguished guest for a minute or so Sunday. Ex-Gov. David R. Francis, of St. Louis, who was president of the Louisiana Purchase Exposition, passed through in his private car en route to Richmond and alighted to speak to his first cousin, Mrs. Joseph Coffey, and her sons. He is a fine looking man, the very picture of health and has the appearance of one who can mingle well with the great common people. Gov. Francis was born in Madison and he was going to Richmond to attend the Home-Coming yesterday. For a number of years he lived in the East End of this county with his parents, Mr. and Mrs. John Francis. They occupied the house now owned by Mrs. N. J. Horton and the distinguished gentleman is remembered by many of our older East End citizens.

SAD DEATH.—The family of Dr. T. M. Lewis received the sad intelligence Friday evening that little Nannie Lewis, the 14-year-old daughter of Mr. and Mrs. A. A. Lewis, of Covington, was dead. Miss Georgia Lewis left on the first train and wrote back that Nannie was playing in front of her home and came in contact with a live electric wire. The little thing tried to speak to her sister, who ran to her, but she could not understand what she said and doctors were summoned but her spirit had taken its flight to mansions above when they arrived. The burial occurred in Covington. Little Nannie was a beautiful child and the pride of not only her parents, but her grand-parents, aunts and uncles as well. Several years ago she spent some time at the home of Dr. Lewis and the friends she made here sorrow at her untimely taking away. It is indeed sad that one so full of life and promise should be thus cut down and much sympathy is felt for the loved ones in their deep sorrow. May He Who tempers the wind to the shorn lamb give them strength to bear the burden which came so suddenly upon them.

FOR SALE.—Fresh Jersey cows. T.

the yield promises to be good.

ant.

Many parts of Georgia are being in-  
convenienced by the recent rains. Rail-  
way traffic especially has been affected.  
The latest estimates are that the  
wheat crop will be in excess of that of  
a year ago, but may not reach the vol-  
ume enthusiasts have predicted.  
DANVILLE COURT.—There were no  
cattle on the market at Danville yester-  
day. Horses and mules were in demand  
and those offered sold at big prices.

Two hundred million acres of land  
will be plowed this year in the United  
States, and about 9,000,000 plows are  
on the farms to do the work. The cap-  
ital invested in plows alone represents  
\$80,000,000.

Kansas is reduced to desperation in  
its effort to get hands to garner the  
wheat crop and every tramp is being  
pressed into service and petty criminals  
are taken from the jails. The main re-  
liance is the college students.  
J. B. Haggin has added 145 acres  
more land to his Elmendorf farm near  
Lexington, running the total up now to  
a trifle over 3,000 acres. The latest pur-  
chase is the farm of C. B. Nickols on  
the Russell Cave pike, for which he paid  
\$125 an acre.

At Latonia race track Saturday the  
Queen City handicap, one and one-eighth  
miles, value \$12,500, was won by Sir  
Huan by half a length; Dutch Barbara  
second; John Carroll third. Helena C.,  
McLaine, Kercheval and Orly II, were  
scratched. Time 1:54 2-5.

J. R. Keene has second call on Jock-  
ey Radtke's services. Mr. Keene has  
paid \$10,000 to Bud May for this right.  
Radtke is now the highest priced rider  
in America. This, with a yearly salary  
of \$25,000 from Paul Rainey, and  
outside mounts swells his income to  
more than the salary of President  
Roosevelt.

**Following The Flag.**  
When our soldiers went to Cuba  
and the Philippines, health was the  
most important consideration. Wil-  
lis T. Morgan, retired Commissary  
Sergeant U. S. A., of Rural Route 1,  
Concord, N. H., says: "I was two  
years in Cuba and two years in the  
Philippines, and being subject to  
colds, I took Dr. King's New Dis-  
covery for Consumption, which kept  
me in perfect health. And now, in  
New Hampshire, we find it the best  
medicine in the world for coughs,  
colds, bronchial troubles and all lung  
diseases. Guaranteed at Penny's  
Drug Store, Stanford, Lyne Bros.,  
Crab Orchard. Price 50c and \$1.  
Trial bottle free.

"Pa, I'm going abroad."  
"What for?"  
"I want a Duke."  
"Then stay at home and I'll announce  
that you're in the market. Never visit  
the factory if you want to get prices.  
Let the goods come to you."

**The Very Best Remedy for Bowel Trouble.**  
Mr. M. F. Borroughs, an old and  
well-known resident of Bluffton, Ind.,  
says: "I regard Chamberlain's Colic,  
Cholera and Diarrhoea Remedy as  
the very best remedy for bowel trou-  
ble. I make this statement after having  
used the remedy in my family for  
several years. I am never without it."  
This remedy is almost sure to be need-  
ed before the summer is over. Why  
not buy it now and be prepared for  
such an emergency? For sale by W.  
N. Craig, the popular druggist, Stan-  
ford.

**CORNS CURED.**—Corn Exit will pos-  
itively remove corns in four days. The  
treatment is simple and pleasant and  
we absolutely guarantee to refund the  
money to each and every customer  
whose corns are not promptly removed  
with entire satisfaction. A bottle of  
this great preparation only costs 15  
cents and nothing if a perfect cure is  
not speedily effected. G. L. Penny,  
druggist, Stanford, Ky.

"Who represents the people of your  
section in Congress?"  
"Nobody."  
"What! Have you no Representa-  
tive in Congress from this district?"  
"We haven't. The beef trust has."

A man who is in perfect health, so  
he can do an honest day's work when  
necessary, has much for which he  
should be thankful. Mr. L. C. Rod-  
gers, of Branchton, Pa., writes that  
he was not only unable to work, but  
he couldn't stoop over to tie his own  
shoes. Six bottles of Foley's Kidney  
Cure made a new man of him. He  
says, "Success to Foley's Kidney  
Cure." G. L. Penny.

woman of Nicholasville, is dead.
